HUNDREDS OF FIREMEN IN REVOLT AT CITY HALL AGAINST COMMISSIONER

Uniformed Men Jeer at Johnson on Account of Opposition to Two Platoons - Commissioner and Lawyer Nearly Come to Blows.

Fire Commissioner Johnson was this afternoon jeered, hooted at and tat-called in the Aldermanic Chamber of the City Hall by a gallery full of uniformed members of his department, who were backed up by their wives, sweethearts and relatives. The demonstration against the head of the department came at a public hearing before the Board of Aldermen on the fight the firemen are making for a two platoon system. AND SEEK THE SENDER.

Man Supposed to Be Discharged Employee Left Bomb at Express Office.

Ida Anusewitz, a nineteen-year-old stenographer employed by the O. K. Bottling Company at Nos. 528-30 West Thirty-eighth street, opened an infernal machine which had been sent to the firm by express to-day. The bomb exploded in her hands, inflicting injuries from which the girl died within half an hour.

Because of the peculiar direction of the force of the explosion & was at first assumed that the explosive used was dynamite and that had been set off by connection with a small electric battery. Purther examination disclosed on the floor of the office, which was wrecked by the bomb, pieces of glass of a thickness and kind not used by the bot-
